F. & M. National Bank Has Meeting, Declares A Five Per Cent Dividend, Elects New Officers, Has A Picnic

These are rushing days. Even bankers rush things up once and a while.

Last Friday, June 24, the officers and directors of the F. & M. Bank held their annual business meeting at the Bank. Things looked good and about the first thing they did was to declare a Five Per Cent Dividend. That meant something to every stockholder.

New officers resulted when the balloting ended. And here is the newest line-up: J. W. Ezell is President and W. J. (Billie) Bryant is Vice President (inactive). Tate May enjoyed a promotion from Cashier to that of Active Vice President, and W. C. (Ted) Russell was promoted from Assistant Cashier to the position of Cashier. J. B. Davenport is director with the named officers as the other directors.

Following the business meeting the bankers and the banking force and a number of invited guests met at the City Lake—the McCurdy Camp for a picnic. From reports this was such a delightful occasion that newly acquired official positions were forgotten for the time and each and every one had a good time. The main attraction for the "spread" was a great supply of broilers surrounded by a lot of fixins', pickles and things.

Reports are that a few games were entered into and one of them was a target shooting contest between the women and the men. Indications are that soon women will have to go to war as they are becoming the best shots.

The banking forces were joined by a number of guests in the picnic. Included were Mrs. Billie Bryant of Stamford, Parker May and Miss Flora Booth of Washington, D. C., Mr. and Mrs. John T. Day, Mr. and Mrs. Henry James, Fleming James, Paul Jones and a Mr. Hardin, all bankers of the F. & M. National in Abilene, and Mr. and Mrs. Roy H. McCurdy.

A BIT OF HISTORY

It will not be out of place here to review a little history, especially as to two of the young bankers—Tate and Ted.

Many of Hamlin people remember these two young men (that is they were formerly young). It was back in the good old days of 1913 when Tate May began to learn the mysteries of banking. It started with the old First National Bank with E. C. Brand as the boss and W. O. Beall as the instructor. By 1919 Tate was feeling very "banky" and started in as a helper at the then old First State Bank, and by sometime in 1920 he was given the handle of "Assistant Cashier." Then along about 1925 the State Bank became a nationalized institution, with the name F. & M. National Bank, and Tate May was made Cashier. But this history would not be complete

unless we started about 1919 with a bouncing young man by the name of Ted Russell. Up to that time it had just been "Ted" but folks began to learn that it was Mr. W. C. as well as Ted Russell. About the time Tate went to the First State in 1919 Ted was right there too, learning another trade (he had made good at a number of trades, but banking seemed to fit him best.) Ted became a Teller in the bank, and then and there started the twin sayings "Tate and Ted." Those boys made a team going in the same direction. So along about that time, the F. & M. bought over the national, W. C. Russell became a kind of shock absorber, or a public relations man at the front while being Assistant Cashier. Now things have changed so that Ted Russell is Cashier and Tate is Active Vice President.

When two young fellows pull together so nicely it is no wonder that a big load is placed on them. These boys have time to be a little of everything from deacons, Sunday School Superintendents, teachers, choir members, husbands and play boys along with the presidents of school boards, president of chambers of commerce, directors in the West Texas Chamber of Commerce, leaders in Rotary and Lions Clubs, and what else have you.

It is mighty nice to have two such young fellows in a community. No telling when you may need a bunch of money or a recommendation or some kind of "hand-out" and who can do it better than a young liberal banker. But there is always a trick to good things—"Uncle Jim" keeps a keen eye on what's going on about the F. & M. Bank and he still knows how to say "Whoa" or maybe "Gee or Haw." Even young bankers know when to pipe down at certain sounds about the house. Since Mr. Ezell is right there on the job he can often be seen smiling to himself when he hears the "boys" handling a tough case.

DOUBLE HEADER SATURDAY FREE

The ball game that was to be played at Hamlin Saturday between McCauley and Royston was rained out. Next Saturday there will be a double header in the Hamlin City Park, Wise Chapel vs. Hitson and Royston vs. McCauley, and don't forget TRENT WINS

As it rained again Sunday, the game at McCauley was called off, but on Monday Trent came over and defeated the Red Caps in a good game by a score of eight and seven. McCauley plays at Trent next Sunday, and another close game is expected.

THE ABSENT VOTER CAN GET HIS BALLOT

Dear Editor:

Due to the fact that there are many calls each day on the proper procedure in casting absentee ballots for the coming primary, I am herewith handing you a brief article on the proper manner in casting this vote, which is in accordance with the new rules of voting by absentee ballot. If you see fit, would appreciate your giving this some space in the next issue.

Any qualified elector who is, or will be, absent from the county on the 23rd day of July, 1938, or who is physically disabled, may vote in this primary by absentee ballot; such person must make application for ballot to the county clerk at Anson, Texas, in writing (a letter requesting a ballot be mailed is sufficient) or appear in person at the office of the county clerk and request same. A third person can not make request for ballots for some other person, nor can a third person request a ballot be mailed out of the county.

The person voting by absentee ballot should not mail certificate or poll tax receipt when requesting absentee ballot, this is to accompany the ballot itself and complete instructions are enclosed with the ballot, when mailed on proper request.

Absentee voting is permitted 20 days before election, and not less than 3 days prior; hence persons may vote between the dates of July 3, 1938 up to and including July 19, 1938, by absentee ballot.

In the event any person wishing to come to Anson for such absentee ballot, and can not be here during office hours, if such person will call telephone 112-J, they will be taken care of.

GEO. O. HARRELL,
County Clerk.

GENERAL CRUDE OILERS TAKE ON LUBBOCK BUCKS

Hamlin's General Crude Oilers are still hunting somebody to beat them in a ball game. If they keep on hunting they may run up against a real wall some of the days... but so far they have not been defeated this season, and that is talking long and loud.

This Sunday in Hamlin City Park the Oilers will take on the much boosted Buckaroos and that means they will want your backing, both from a standpoint of noise and gate receipts.

Monday everything in Hamlin will be closed, and Monday afternoon the Oilers will again tackle, or maybe it will be the Buckaroos will tackle the Oilers again in the City Park. Now folks let's all go down and see this game. It should be a dandy, and besides it's the FOURTH and we all will go somewhere. Just remember you will have time to take in a parade or two, eat at a chuck wagon or so, and by then you need a rest, maybe a bath and its not far home and then come a 'hopping' down to the ball park and see the Oilers in action. What do you say, folks. We'll be seein' you.

JERSEYS

Just arrived—truck load of good ones. Hope to get sold out Saturday. See them at once at Jones Barns, Hamlin.

S. M. LAWSON, Owner (35-p)

FLOW FOR SALE

Have a good Sanderson one-way plow for sale or to trade for a cow or anything I can use. See me, one mile north of Hitson.

S. J. HESTER, (35-2p)

BUSINESS CLOSING MONDAY JULY 4TH

A survey by the Retail Merchants Association office reveals the fact that dry goods stores, variety stores, hardware and furniture, insurance agencies, barber shops, shoe shops, beauty shops, automobile agencies and grocery stores desire to take the day off and really enjoy and observe the good old fourth. With the above the bank, postoffice and Hamlin Herald all join in.

ATTEND GET-TOGETHER AND BANQUET AT LAKE BROWNWOOD

By invitation from the President and directors of the West-Central Texas Oil & Gas Association the following named attended a get-together and banquet at the club house on Lake Brownwood last Saturday evening and night: W. C. Russell, Bowen Pope and W. E. Benson. The meeting was called at 4 P. M. in charge of the President, Mr. J. C. Hunter. After some business transaction the meeting adjourned and the remainder of the evening was spent in taking motor boat rides on the lake, which has over 120 miles of shore line. At 7:30 a very sumptuous banquet was spread at the club house, after which the remainder of the business items were discussed and passed on by the members. Those attending from Hamlin had the opportunity of meeting several oil men who have oil property or are operating in this community.

STAMFORD ALL SET FOR ANNUAL SHOW

Special to The Herald.

STAMFORD, June 30—Completion of the new grandstand and the enlarged cowboy bunkhouse this week provided facilities for accommodating the largest crowd in history at the Ninth Annual Cowboy Reunion which opens here Monday, July 4, to continue for three days.

The new grandstand increases the seating capacity of the rodeo arena to 13,000 and the doubling of the floor space of the bunkhouse gives more room for the cowboy square dances held there each night and for the meetings of the Texas Cowboy Reunion Association. The association, composed of oldtime cowboys, will elect their officers during the Reunion.

Three rodeo performances will be held daily, at 8:30 A. M., 2 P. M. and 8 P. M., each program including cowboy contest roping, bronc-riding, steer-riding and wild-cow-milking. The cutting-horse contest, originated by the Reunion, will be held on the morning of July 5. A special calf-roping contest for men over 55 years of age is always a popular rodeo feature.

The grand parade, always the high spot of the Reunion, will be held on Tuesday at 11 A. M. Governor James V. Allred is expected to head the procession. Lesser parades of the cowboys and sponsors will be held just before the afternoon rodeo performances on Monday and Wednesday.

The old fiddlers' contest, biggest free entertainment of the celebration, will be held at the City Auditorium Wednesday starting at 8:30 A. M. Contestants 50 years of age or over will compete for cash prizes totaling \$32.50. Breakdown tunes must be used.

SANTA FE INCREASES NUMBER OF WORK DAYS

Proposal to increase the number of work days of mechanical employees of the Santa Fe system lines was announced recently by W. K. Etter, vice president of the system.

Effective July 1, employees of the mechanical department including all shop forces having been on a three day week since May 1 are to be placed on a five day week.

The increase will benefit approximately 8,000 employees over the entire system. In the Southwest more than 2,000 workers are involved in the increase.

WILL BALE YOUR HAY and take 1/4 of it for pay. See D. M. WHITE (35-p)

Oil News of Interest; New Activity In Hamlin Area

From time to time the Herald will give new facts concerning the oil activity in the surrounding Hamlin area. This week the chief attractions are new wells and new locations. One abandonment.

PROVIDENT ROYALTIES CORPORATION OF TULSA, TO MAKE LOCATION

One of the most interesting blocks of oil potentialities in Jones County lately is taking place this week in the territory lying just west of the new Chittenden well near Radium. This block consists of about 3,000 acres. All titles are being completed and a location will be made during the latter part of this week. The holdings of Fleet W. Poe, A. A. Hackley, Mrs. J. F. Taylor, T. C. Eakin, A. H. Carlton, A. B. Carlton, F. W. Curry, J. D. Dutton, J. N. Poe, W. P. Westmoreland, M. S. Jones and E. D. Rogers, are included in the block.

The farms of the above names, lies on top of the Skin-out Mountain and here's a hunch, somewhere in that 3,000 acres is to be found oil, almost sure. The first location may miss it, and yet it may hit. But just here it will be fair to state that the Iron Mountain Co. Herbst No. 1 has gone down and down to below the 4,000 foot mark and on Wednesday, so we were told, pulled up, plugged and abandoned that location. This does not condemn all the area north of Radium, however. The Herbst was about the fourth try in the Wise Chapel section. The first, the Teague, we remember struck some oil. Maybe the pool lies a little farther west of the Herbst.

GENERAL CRUDE RUSHING NEW WELL NORTH OF HAMLIN

When you drive north on Highway No. 4 you will notice a derrick to your right just after you pass the Shell Station. That well is a General Crude and located on the Percy Jones Ranch. It south of the river in Stonewall County, and about a mile east of the General Crude Bryan, No. 1 which was drilled nearer the bridge and right by the side of the highway, and got a creditable showing of oil, but was lost after drilling more than 4,000 feet.

The Percy Jones well was spudded about two weeks ago and with a first class rotary outfit they are according to reliable reports, down better than 2,500 feet. Information about the Jones well is very hard to get. Of all wells drilled in this section it is the most secretive. But if they get a boomer production the results can't be hid long.

General Crude has also made another location 8 or 10 miles north of the Jones well, near Old Glory. Folks have stiffed oil in that community for some time, and it may be General Crude will find the pool.

COATS BROTHERS WELL

Just to the west of Highway No. 4 about 8 or 10 miles north of the river is another prospective Stonewall Co. well going down on the Lee survey. Reports say this well is down about 2,800 feet and the

contract calls for 4,500 feet. This well is lined with the producers in the Hitson community, and may be in the right spot.

WEST OF TOWN PRODUCERS

Don't think the oil field west of Hamlin has been drilled out yet. As a matter of fact, out there they get a well just when they want one. Recently Tarlton Willingham got another good well. And don't forget that his well No. 1 has already produced more than 1,000,000 barrels. Around 125 wells are producing west of Hamlin and there seems plenty of room that the number will be doubled without covering all the possible oil territory. Listen for a new well in the section round about where the Brown wells are producing. A new company has that lease now.

SANTA FE TRAINS CARRY VETERANS

Three special cars of Civil War Veterans, averaging more than 90 years each, are en route from the Southwest over the Santa Fe railway to attend the 75th anniversary of the battle of Gettysburg.

The cars are from Clovis, New Mexico; Amarillo, Texas, and Denver, Colorado, attached to the Grand Canyon Limited to Chicago after which they will be routed over other lines to Gettysburg, Pa.

Special arrangements have been made to care for the aged survivors during the visit to the annual joint reunion of the Grand Army of the Republic and the United Confederate Veterans. Extreme precaution are being exercised by the Government and Santa Fe officials to provide every comfort and care.

In addition to defraying all expenses, the Government is providing an attendant for each of the veterans and Jack Golding, traveling passenger agent of the Santa Fe will be in charge of the railway's escort.

Dates of the Reunion are June 29 to July 6.

AN EXPRESSION OF APPRECIATION

I wish to express my appreciation for the prompt settlement of the Policy held by my mother in the Southland Life Ins. Co. The proof papers were completed on Tuesday, June 21, and their agent, I. H. Terry, of Stamford, settled the claim in full, on Friday, June 24, 1938.

Respectfully,
MRS. T. A. THIGPEN
Daughter and Beneficiary (35p)

TO MY FARMER FRIENDS

If you are going to break your wheat land this summer or fall let me Roll your Discs for you. I will appreciate it and do you good work at the right price, so come to my old Pioneer Shop with Discs or any other work. Yours truly,
O. G. EBERT (35-2p)

SIX MONTHS 50c

THIS IS JULY FIRST

Do you, Mr. and Mrs. Voter, realize that this is July FIRST, and do you realize that there will be but three more Fridays after this before the people of Texas will be asked to name the nominees to be on the general election ballot in November? Three more Fridays, and then the number asking for public office will be thinned down to two for each office, and then watch out for August primary.

There are a lot more offices in Texas to be filled than that of governor. But the fact that a governor has so many to appoint to office does make him the real head of the state, and don't forget the appointive power or what his choice for this and that may be. Sometimes the most intimate friend of a governor becomes displeased with him for some bad choice in appointment. Places are likely to be filled that will last four or five years before the people get a chance to say whom they want. In making OUR choice let us try to visualize just what we would like for so and so to do should he be elected. Does your favorite measure up to your standard? At least one should think the office seeker does.

It now looks as if all "prognosticating" as to who will be winner may be upset. The first questionnaires that went out gave certain results that will likely be different by July 23.

THE ASPERMONT STAR

The Aspermont Star, our close neighbor just to the north of Hamlin, has a new mast head these days, and quite a lot of other features of the paper that look new and bright. The Wade family of Jayton acquired the Star a short while ago from Mr. Hudspeth who had operated it for the owners, the Guest family. We note that H. Cobb Wade is manag-

ing editor, with other aides and associates. Their special Golden Jubilee edition was filled with much historical matter and lots of advertising from the business men of Aspermont. It takes a lot of hearty cooperation to pull off a big celebration like Aspermont had last week, and the local paper plays a good part.

COM. J. E. McDONALD HAD GOOD HEARING

Farmers, not so many of you came out on last Thursday night at the High School auditorium to hear your Agricultural Commissioner, J. E. McDonald, speak. You should have availed yourself of his information and maybe his inspiration.

McDonald has given long and faithful study to the problems of the Texas cotton farmer, and he says the battle is just getting right. Mac (as the Herald calls him) does not claim all the credit for the "Domestic Cotton Allotment Plan," but he does say that it is the only sane plan that will do the farmer the most good and at the same time produce cotton that will compete with the rest of the world. He puts it up to the farmer.

At this time The Herald will not go into this subject fully but will take this up later. We serve notice here, though, that the cotton farmers of America are compelled to work out their own plan and put it up to Congress to enact laws that will work evenly and fair to all land owners and people who want lands to make a living upon. It can be done and not far off. It is going to take a lot of patient thinking, compromising, and acting to get the American agricultural program where it must be. McDonald says that if the

farmers do not tell Congress what is practical and possible and what they want, Congress will keep on passing unworkable fool-like costly acts.

Mr. McDonald is very liberal in his views. He says that IF anybody can offer a better plan than he is advocating for cotton, he will dump his plan in the waste basket. So Mr. Farmer go to it and let's all think it out. Lots of fellows laugh at Congress, at McDonald, at any admonition of the practical thinking newspaper man . . . and keep grumbling.

Walter Bernstein of Hackenburg, Germany, arrived in Hamlin Tuesday morning. He is a cousin of Kurt Schoemann. Mr. Bernstein left Germany on June 15. He says 200 Jewish people came over on the same ship. He will remain here only one week and then go to Dallas.

Mrs. C. Weldon Griggs returned last week from an extended visit in San Antonio, Denton and Bridgeport.

Miss Lucile Bell, of the Dallas Methodist Hospital, is here to spend her vacation with her parents, Mr. and Mrs. H. H. Bell. These are new people in Hamlin. Mr. Bell operates the cafe, "Bell's Place."

J. W. Hayes, of Corsicana, is here this week visiting his son, Roy Hayes and wife.

When Women Need Cardui

If you seem to have lost some of your strength you had for your favorite activities, or for your housework . . . and care less about your meals . . . and suffer severe discomfort at certain times, try Cardui!

Thousands and thousands of women say it has helped them. By increasing the appetite, improving digestion, Cardui helps you to get more nourishment. As strength returns, unnecessary functional aches, pains and nervousness just seem to go away.

Mrs. Carrol Nash, of Leona, Texas, was here this week to visit her parents, Mr. and Mrs. W. B. Abbott, and other relatives.

Points and Personalities

by doris pope

Monday is July 4 . . . a national holiday . . . a day set aside to commemorate the Declaration of Independence . . . Hamlin business men are declaring a day of celebration . . . all stores will be closed . . . do your shopping Saturday . . . many are dusting off the reel and rod in anticipation of a swell fishing trip . . . others are shining up their boots getting ready for a real western holiday . . . the Texas Cowboy Reunion in our neighboring city will be in full swing . . . some are tuning up their vocal chords for an exciting base ball game . . . a few are going to take "just a trip" . . . and still others are going to celebrate with a whole day of rest and relaxation at home . . . anyway we are all planning to celebrate some way . . . even to the President and the Governor are looking forward to July 4 . . . each has issued a proclamation pleading for a "safe and sane" Fourth of July . . . each year great losses of lives and property are charged up to holiday accidents . . . celebrate and have a good time . . . but be sure that you are not listed as another holiday accident.

Just Around: An attractive young matron is treating all of her friends with her choice California candy . . . you just oughta see it and call her "Tootsie" . . . Gene Robinson isn't blushing . . . that healthy glow was acquired on a recent fishing trip. . . Mr. and Mrs. Arlie Cassle—just Arlie and Pat—returned to our fair city Tuesday night . . . they were around Wednesday radiating married bliss . . . we heard that there were one or two other weddings this week, but we haven't been able to get the particulars . . . wonder how the local gals are coming out with their "maybe" dates . . . we see that Red Norman is back in the Clover Farm store . . . it is reported that a well known business woman of our fair city is being courted fast and furiously by a recent new-comer . . . Clifford Reynolds Jr. is carrying a neat roll of bandage around on his finger . . . yeah, he cut it with a knife.

It is rumored that on last Thursday night a certain Don Juan of the town preferred brunettes to blondes, but the popularity of the blonde took care of the situation and she didn't mind.

Candidates and Politics: As yet, only two of the would-be governors have visited Hamlin. Brogdon down our main street with his phonograph blaring "You will always be young and fair to me"—wonder how he will feel after the election. Col. Thompson came through playing "I Double-Dare You"—to do what? . . . All the candidates who have kids old enough to hold a guitar oughta organize a string band and buy a bunch of flour barrels. Miller, another bidding for the governor's chair, has already caught the idea and is campaigning with his "Mill Boys." By next election year the office-seekers will be fighting to see which one will get Benny Goodman or Jan Garber or Rudy Vallee—it looks like a good season for the musicians . . . We don't hear too much about county politics, but some of the boys in the race are getting a little weak in the knees with a sort of sickish feeling in the pit of their stomach.

In Chicago the other day two women chanced to see a man getting a manicure, and feeling that that was out of place for a member of the stronger sex, began a furious attack with rocks and stones. We hope that nothing like that happens to the male beauty parlor patrons of our fair city.

And while on the subject of beauty parlors, have you heard of the owner and manager of such a business enterprise in Hamlin who has started a hobby of collecting antique checks?—Yes, she took a check on a bank that had been closed seven years.

Mr. and Mrs. S. D. McMahon left Sunday for a two weeks vacation on the coast.

HASKELL TO STAGE AUTO RACES JULY 3-4

West Texas will pay tribute to King Gasoline, Sunday afternoon, July 3, and Monday, July 4, on Haskell's 5-8 mile speedway at Fair Park, the fastest dirt track in Texas. Sunday's and Monday's seven events program will get under way at 1:30 with time trial and the first race at 2:30 P. M.

The races are sponsored as open competition and any driver who can pass the safety test can enter his car.

The track is in perfect condition and dustless from the application of many tons of calcium chloride and water. The banks have been rebuilt since last year and will give drivers an opportunity to throw caution to the wind with many new records likely to be made.

Heading the list of crack Southwestern drivers is Red Hodges, Dallas, greatest money winner on the S.A.R.A. circuit. He was declared the southwestern champion for the last three years.

Most prominent among the invading drivers, are Herschel Buchanan, Shreveport, and Ken Fowler, member of the Buchanan race team,

flashiest speed combination in the country on the dirt tracks.

Besides Red Hodges and Herschel Buchanan, other outstanding drivers competing will include Tex West, Gene Frederic, Pop Stewart, Posey Reeves, O. Lawrence, Johnny Holland, Carl Mayfield, Red Edmonds and others.

The July 3 and July 4 auto races will be the only ones that will be held this year in Haskell, so be sure to come early to get a seat. Popular prices will be charged—general admission 50c, children 25c and grandstand 25c.

ON HONOR ROLL

CANYON, June 29.—Miss Carolyn Greenway of Hamlin is one of 53 students at West Texas State College who made the Spring semester honor roll just announced by the registrar.

The honor roll students who made an average of A-minus or above.

Mr. and Mrs. W. L. Boyd and W. L. Jr. returned Sunday from Lorenzo and Ralls, where Mr. Boyd has been engaged in cotton business for the past several months.

Joe Dale Burk and little Miss Kitty Burk are in Breckenridge for an extended visit with their grand parents.

MRS. E. W. GARDNER HOSTESS TO CLUB

Mrs. E. W. Gardner was hostess to the Needle and Thimble Club entertaining in her home Tuesday afternoon.

Following an exchange of gifts a delicious mid afternoon luncheon was served.

Members present were Mmes. Homer Neal, Cecil Brown, Tom Nall, Theron Rodgers, Huelon Bradford, Alton Clemmer, H. E. Brown, T. W. Flenniken and Roy L. Brown. Guests were Mrs. R. E. McCormick and Mrs. B. H. Gardner.

Mrs. Gardner will be hostess for the next meeting.

ALLBRITTON-CASSLE RITES READ IN WACO

Miss Patience Allbritton, daughter of Mr. and Mrs. C. B. Allbritton, of Waco, became the bride of Mr. Arlie Cassle, son of Mr. and Mrs. H. O. Cassle, of Hamlin, in a garden ceremony, Saturday evening, June 25, at the home of the bride's parents in Waco. The rites were read by Rev. A. J. Holt of Calvary Baptist Church as the wedding party stood before a vine covered latticed trellis.

The bride, who was given in marriage by her father, wore a powder blue chiffon gown and carried a colonial bouquet of pink rosebuds, carnations and delphiniums. In her hair she wore a pink net halo with pink carnations, and for something old, she wore a gold bracelet belonging to her mother.

The bride's only attendant was her sister, Miss Janet Allbritton. She wore a dress of pink mousseline de soie and carried a Colonial bouquet of carnations and delphiniums.

H. O. Cassle Jr., brother of the bridegroom, attended him as best man and ushers were Kelly Allbritton, of Waco, Everett Anschutz, of Austin, Bob Anschutz, of Tulsa, and Henry Allbritton, of Hamlin. For the pre-nuptial music a special arrangement of "At Dawning" was played by Merlin Cash who also played Lohengrins Wedding March as the bridal party entered the garden. During the ceremony he softly played "I Love You Truly."

Mrs. Cassle is a graduate of Waco High School and received her degree from Baylor University. For the past two years she has been a teacher in the Hamlin public school.

Mr. Cassle is a graduate of the Hamlin High School and attended Rice Institute and University of Texas, and is now associated with his father in the real estate and insurance business in Hamlin.

Following the ceremony a reception was held. A central arrangement of white dahlias and stock decorated the table where Miss Josephine Jones and Miss Marie Osborne, of Amarillo, presided at the punch bowl and Miss Juanita Cox cut the three tiered wedding cake which was topped with a miniature bride and groom.

Out of town guests for the wedding were Mrs. J. C. Osborne, Marie and Lois Osborne, and Mrs. W. C. Brotherton, of Amarillo; Mr. and Mrs. Duffield Smith and Duffield Jr., of Dallas; Mr. and Mrs. Henry Allbritton, Miss Mary Boyd and Miss Zelma Wilson, of Hamlin.

Following a short wedding trip Mr. and Mrs. Cassle arrived Tuesday evening in Hamlin where they will make their home.

BUSY BEES TAKE VACATION

The Busy Bees Quilting Club has decided to disband until the first Wednesday in September. The weather is so hot through July and August it is too disagreeable to quilt.

We hope every member will meet with us at Mrs. D. M. Harris' to quilt for Mrs. Harris and Mrs. Bert Fomby. Hoping each of you a nice vacation and that you will be ready for a big fall and winter work. We expect to see you September 7, at Mrs. Harris'.

—Reporter.

MRS. KEEN HOSTESS TO ALATHEAN CLASS

Mrs. J. L. Keen was hostess to the Alathean Class when she entertained Wednesday afternoon in her country home east of Hamlin.

Colorful summer flowers and pot plants were attractively arranged in the rooms where games were played.

A delicious plate of sandwiches, salad, pickles and punch followed by

an ice course was served at the refreshment hour.

Those present were: Mmes. E. W. Gardner, J. B. Richardson, G. P. Odom, T. D. Rogers, R. F. Andrus, R. E. Harlan, C. R. Ferrell, J. D. Burk, Ted Armstrong, Roy Hayes, A. P. Patterson, O. R. Carlile, L. K. Ballew, R. P. Holley, and hostess.

BAND CONCERT

Next Thursday evening, July 7, at 8:00 P. M. on Post Office Street, Rotan's fifty piece band will present a concert. This concert is sponsored by the Chamber of Commerce.

Mrs. W. H. Ewing of Fort Worth, left Thursday for Idalou after a visit here with Mr. and Mrs. J. W. Fomby and Mr. and Mrs. A. F. Dixon. Mrs. Ewing was a pioneer of Jones County coming here in 1889.

Miss Mildred Brown is in Dallas visiting her aunt, Mrs. T. S. Jones. Before returning home she will visit her grandmother, Mrs. W. W. Brown in Waco.

Rev. J. W. Griffin left last week for Lexter, New Mexico, where he will hold a meeting. While there he will visit in the home of his sister, Mrs. W. S. Morgan.

O. G. Ebert and his wife and Miss Maggie Peel returned Sunday from an outing at Stovall Hot Well for a week. Mr. Ebert especially went for his health and he is feeling better.

Mr. and Mrs. George Miller and little son, Lennel, of San Angelo, were here Tuesday to visit their parents, Mr. and Mrs. R. S. Dean.

Mrs. Eunice Thompson has been in the Stamford Hospital since June 18, and on Wednesday of this week she underwent an operation for gall stones.

Mr. and Mrs. I. F. Mixon left Tuesday for Lubbock where they will reside. They have lived in Hamlin almost continually for 20 years or more.

Frank Edmonson and family, of Phoenix, Arizona, were visitors at the home of his sister, Mrs. C. H. Malone and family, the past week end.

Political

(104th Judicial District)
HOWARD C. DAVISON
of Fisher County
OTIS MILLER
of Jones County
J. C. SHIPMAN
(of Taylor County)

BOYD CHAPEL CHIRPS

(By Mrs. Earl Brown)

The nice rain which fell here Saturday and Sunday was certainly appreciated by the farmers.

Mr. and Mrs. Clinton Maberry, of McCaulley, spent Sunday with Mr. and Mrs. Jim Ferguson.

Mrs. Lewis Young, Mr. and Mrs. Bill Young, Mr. Bryan Young and children, and Miss Lottie Rainwater visited with friends near Roby Sunday.

Several from our community are attending the meeting at Neinda. Rev. Baker, who is doing the preaching, is certainly preaching some good sermons.

Mr. and Mrs. Delmer Estes left Monday for Bakersfield, California, where they will make their home for a while. We regret losing this young couple from our community, but wish for them success in their new location.

Those who spent Sunday with Mr. and Mrs. J. P. Bingham were: Theron Bingham and family of Hawley, Wes Neidecken and family of Hamlin, Mr. and Mrs. Leon Rogers of McCaulley, and Darsey Bingham and family.

Mr. and Mrs. L. F. Cozzen spent Saturday night and Sunday with Mr. and Mrs. Ed Killen of Trent.

Miss Baldwin of Clyde spent the week end with Miss Cleoveta Estes.

Misses Betty and Virginia Cozzen spent the week end with Mr. and Mrs. Vaden Lester of Neinda.

Rev. Vaughan was unable to be here to preach Sunday morning because of the heavy rainfall, but came in time for the evening service. He preached a very interesting sermon.

Mr. and Mrs. Ramon Elkins of Plasteroo, and Mr. and Mrs. W. S. King of Anson, spent Sunday with Earl Brown and family.

The Willing Workers Club met with Mrs. Lee Ward on Tuesday afternoon. Part of two quilts were quilted. Refreshments of cake and punch were served.

Mr. and Mrs. Clinton Bristow of

Vote For HOWARD DAVISON A McCAULLEY, FISHER CO MAN For District Attorney

HOWARD C. DAVISON

Hamlin friends of Howard C. Davison give their full endorsement of Mr. Davison for the office of District Attorney of the 104th Judicial District.

First, because Howard Davison is capable and fully able to conduct the District Attorney's office, and we believe he is the kind of man who will faithfully and impartially try to enforce the law in all cases coming before the courts.

Howard Davison was reared and educated in the McCaulley community and most Hamlin people have known him intimately all his life, and we know him to be a young man of the highest character, a self made man, one whose public service merits the approval of citizens in the district he has served.

Howard Davison's friends in Hamlin and Jones County know that he has the almost unanimous backing of his Fisher County people, and we feel that he belongs to this Jones County community, and to others of the district we solicit your support of Mr. Davison, believing that we can make no mistake in electing him as our District Attorney.

This public endorsement of Howard Davison is without his knowledge, and is paid for by his friends in Hamlin and this part of Jones County.

VOTE FOR Howard C. Davison FOR DISTRICT ATTORNEY

(Political Advertisement)

Mrs. Mac Rippetoe of Bronte, Hamlin, spent Monday and Monday night with Mrs. G. W. Bristow and family.

Little Miss Katie Jane McClelland of Davis, Okla., returned Tuesday after a four weeks visit with her grandmother, Mrs. J. W. Wooten.

Up in the Morning Feeling Fine!

The refreshing relief so many folks say they get by taking Black-Draught for constipation makes them enthusiastic about this famous, purely vegetable laxative.

Black-Draught puts the digestive tract in better condition to act regularly, every day, without your continually having to take medicine to move the bowels.

Next time, be sure to try

McCAULEY MATTERS

By JOHN P. HARDESTY

DAVISON HONORED IN BIG RALLY FRIDAY NIGHT

A crowd estimated at three thousand or more gathered at the tabernacle last Friday night to show their appreciation of Howard C. Davison, and to pledge their loyalty and support to him in his race for District Attorney. This crowd was representative of the high esteem in which this McCauley and Fisher County reared young man is held by his friends, and the confidence they have in his ability to fill with credit to himself and his friends the responsible office he seeks. In addition to Fisher County friends there were delegations from Hamlin, Hawley, Abilene, Anson, and other points in the district. Mayor L. E. Newton of Rotan, presided. He was presented by George Darden. Following brief announcements by Fisher County candidates, and announcements of candidates for Representative of the 114th district, the place now held by Howard Davison, short addresses endorsing Davison for District Attorney were made by John P. Hardesty, S. E. Miers, and Mrs. C. P. Yates, all of McCauley, and George Moore, C. W. Taylor of Rotan; Dr. J. D. Davis of Roby; M. M. Collins, superintendent of Hawley public schools, and Robert Kennedy of Abilene. Mr. Bernard of Anson also gave endorsement to Davison and then presented briefly the candidacy of Speaker Calvert for the office of Attorney General. The Rotan brass band and the high school octet of McCauley rendered music for the occasion. V. W. Jackson, teacher in

the McCauley public school and minister of the Hamlin Church of Christ, gave a brief address also, challenging the charges being made that Davison is the bootleggers' candidate, and denouncing the insinuation that the Rotan band and the McCauley girls octet furnished "swing music" for the Davison campaign.

Mr. and Mrs. P. H. Buster, former residents of McCauley, lately of Sylvester, at both of which places Mr. Buster taught school, are now located for a while at the home of Mr. and Mrs. Lloyd Madden. Mr. Buster has accepted the position at principal of the Hawley High School for next year, and will later move to his new home there.

Mrs. W. H. Stephenson and daughter, Ora, motored to Vernon Saturday where they visited with the John Gramms and other friends in that section, returning home Sunday afternoon. The Gramms were formerly residents of this place.

Mr. and Mrs. L. E. Rector left Monday for Gettysburg, Penn., to accompany Mrs. Rector's grandfather, C. C. Martin, who is the guest of the Federal Government at the anniversary of the famous battle of Gettysburg. L. E. Rector is the designated companion of Mr. Martin, the government also paying his expenses on the trip.

Mrs. Turner Houghton, who recently underwent a serious operation at Hendrick Memorial Hospital at Abilene, is back home. She is fast convalescing and will soon be back to normal health, according to the latest word from her. The many friends of the family rejoice with them.

REVIVAL AT NEINDA

Rev. J. R. Bateman, local Methodist pastor, assisted by Rev. J. B. Baker, of Goree, is conducting a re-

vival meeting at Neinda. Bro. Baker preached at McCauley Methodist Church last Sunday afternoon.

COTTONSEED IS AMONG WORLD'S GREAT OILSEEDS

17 BILLION- POUND CROP
IMPORTANT SOURCE OF
FOOD AND FEED

WASHINGTON, D. C., June 20—Record 1937 production of 17 billion pounds of cottonseed in the United States places this Southern crop among the world's great oilseeds, says Charles E. Lund, Fats and Oils Specialist, Department of Commerce, in a recent issue of 'Foodstuffs 'Round the World.'

"For many years the producer of more than half the world's cotton, the United States has also been far in the lead among cottonseed pro-

ducing countries," the article states. "Our 1937 record production of 17 billion pounds is in a class with Asia's soybeans and peanuts as a leader in the parade of vegetable oilseeds."

We traditionally produce more land than all other nations combined, Lund points out, and hold the same position in shortening, in the manufacture of which cottonseed oil last year represented three-fourths of all fats and oils used.

Cottonseed oil was also by far the main ingredient in the 400 million pounds of margarine produced in 1937 and is a leading salad and cooking oil.

"Besides providing one of the finest edible oils of the world, the versatile furnishes a leading concentrate for livestock feed in the form of cake and meal, a starch-free flour for human consumption, and many other products."

Ancient India used cottonseed oil as a liniment, lubricant and illuminant before that country came in contact with the white races of Europe.

"Centuries later, when the Southern Colonies were settled, the soil and climate were found ideal to grow cotton, but it is only within the past 80 years that American genius and resourcefulness have developed cottonseed to the status of one of the important cash crops of the country."

ROYSTON NEWS

(By Mrs. A. C. Henry)

We are having some nice rains, and crops look very favorable since the sandstorms have stopped.

The harvest is being delayed because of the rains. Mr. Arnold Glenn's twelve-horse combine that was located on the McCray farm, was moved to the north plains Thursday. They will go from there to Kansas and harvest; he still has a combine on the McCray farm which will be in full force as soon as it is dry enough.

Mrs. Billy Henry is on the sick list this week. Hope she will be improved by the time this is printed.

Prayer meeting was held at the Roston tabernacle Sunday night.

Mr. and Mrs. Ed Overton and Miss Marie Gruben visited Mr. and Mrs. Venson Overton in Spur Sunday. Mrs. Overton is ill.

T. A. Cauble and little Frank Cauble, of Rotan, were visiting in this community Monday.

Mrs. Tom Henry was called to Hobbs, New Mexico, because of the illness of her daughter, Mrs. Rusty Davison.

Farmers have been successful in poisoning grasshoppers in this section.

Mr. and Mrs. Ed Gruben and children, Pauline and Leone, left

Tuesday to visit in Stephenville. Mrs. A. C. Henry visited in Tuxedo and Stamford Friday.

Mrs. J. T. Mahaffay has returned from Spur, where she has been with her daughter, Mrs. Venson Overton, who is sick.

Mrs. W. H. Daniel went to Sparenberg Sunday to visit with her daughter, Mrs. Sherman Moulton and family. She will spend several weeks visiting relatives and children on the plains and will visit with her son, W. A. Daniel in Eunice, New Mexico, before returning home.

Mr. and Mrs. L. E. Hines and little daughter, Bettie Jean, went to Sparenberg Sunday to spend the day with her sister, Mrs. Moulton and to bring home their son, Melville, who has spent three weeks visiting with his cousin, Sherman Moulton Jr.

Miss Edwina Gilbert, instructor of music in the Hamlin schools, left last Tuesday for Chataqua, New York, where she will do special study in music. En route to Chataqua, she stopped in Madison, Wisconsin, to visit with friends.

Mrs. Roy Wilson and little daughter, Maricycle, of Dallas, are the guests of her sister, Mrs. Frank M. Lawlis, this week.

PARTNERS IN SAFETY!

**SELECT AND BUY
Firestone
GUM-DIPPED TIRES**

**Firestone
TRIPLE-SAFE
TIRES
★ MOST MILES
PER DOLLAR ★**

YOU may never drive your car at the record-breaking speeds made by America's famous race drivers—but isn't it a comforting thought to know that Firestone Gum-Dipped Tires have proved their SAFETY at speeds much higher than you will ever drive? In planning your Fourth of July trip or your summer vacation tour, guard your life and the lives of your family with the only tires made that are a Triple-Safe.

By Triple-Safe we mean—

First: Every fiber in every cord of every ply is saturated and coated with liquid rubber by the Firestone patented process of Gum-Dipping which counteracts tire-destroying internal friction and heat. That means protection against blowouts.

Second: They have two extra layers of Gum-Dipped cords under the tread. That means protection against punctures.

Third: They have a scientifically designed tread that stops your car up to 25% quicker. That means protection against skidding.

Only Firestone gives you these patented and exclusive SAFETY features. Join the Firestone Save-A-Life Campaign today by equipping your car with a set of new Firestone Tires—the only tires made that are safety-proved on the speedways for your protection on the highways.
